

Gaming Inspector

At Gala Casinos we know how important it is to get the simple things right, like being friendly, smart and responsive – all the usual stuff. But we go further because we think brilliant service is about creating brilliant experiences. It's the little human touches and going the extra mile that makes every customer feel special.

Our Gaming Inspectors have a knack of being in the right place at the right time. They're cool, calm and collected, keeping everything under control. They have a sixth sense about situations and know exactly how to handle whatever comes their way. Good with numbers and great with people, they're never afraid to stand up and be counted. Honest sharp and fun, our inspectors are superheroes!

If this is you, you've got what it takes to become a Gaming Inspector at one of the UK's most successful casinos. Plus a chance to work somewhere with a real buzz. We'll reward your experience and give you the opportunity to develop a truly brilliant career. You've got your licenses as well as an amazing range of dealing and inspecting skills, now you need to bring them to our table. So what's stopping you?
