Progressive Baccarat

In conjunction with **Mikohn Australia**, ACES has been working to develop a new game based on the perennial favourite game played through S.E. Asia, Baccarat. The result; **Progressive Baccarat Deluxe**, which presents a combination of all popular baccarat bet options, combined with a progressive jackpot feature.

The Game offers players an assortment of betting options, including:

- Banker/Player
- Ties
- Progressive
- Banker Pair/Player Pair
- Banker Natural/Player Natural

The progressive is based on the first four cards dealt!

The Game is presented on a Caribbean Stud style table, with seven (7) player positions. The electronics, table equipment and Game controller are identical to Mikohn's Caribbean Stud Game. Table signs provide the bonus pay table details plus keep tabs on the running progressive...

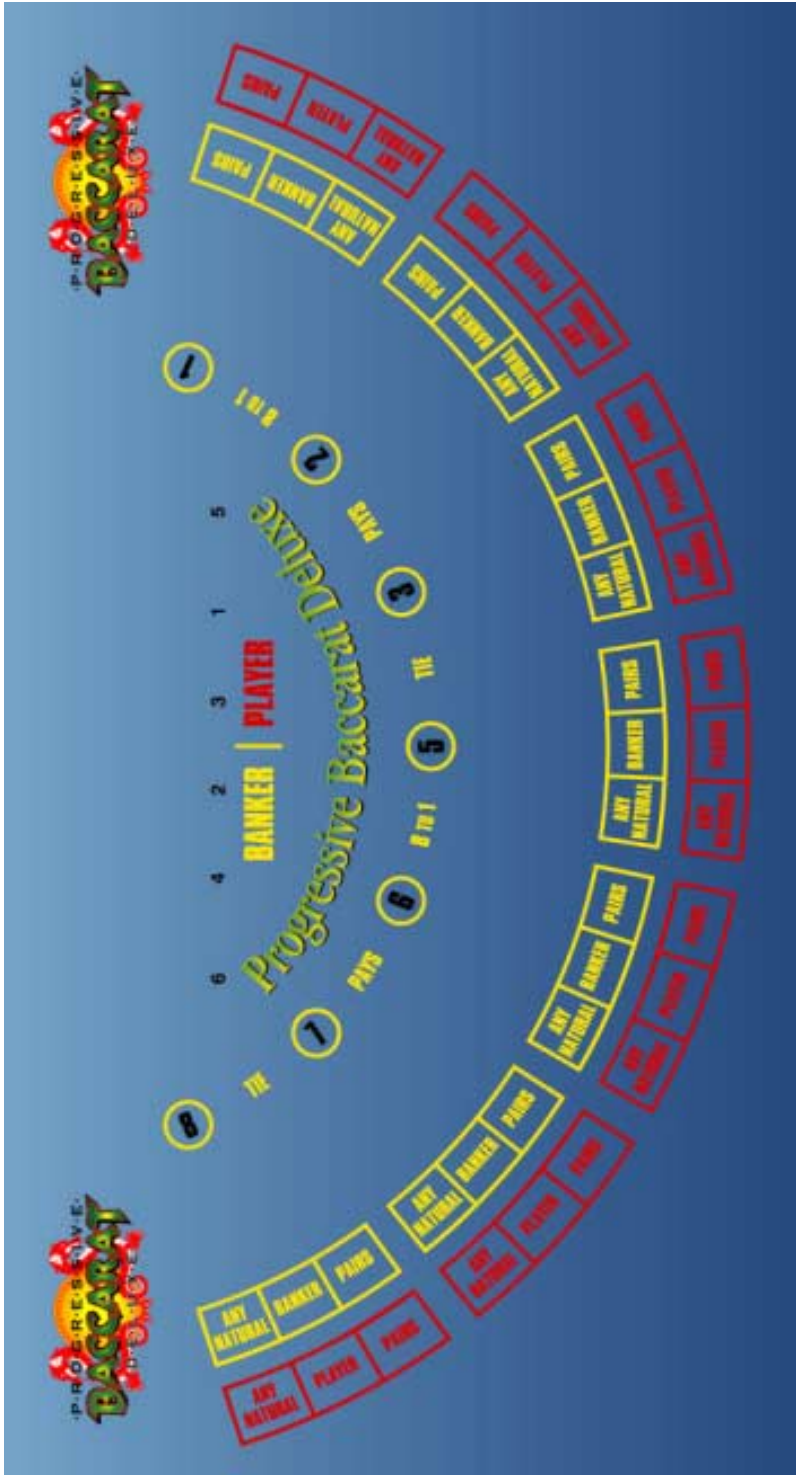

The Bonus Paytable offers:

4 Black <u>or</u> Red Nines...	100% of Jackpot
3 Suited Nines...	\$5,000 or 10% of Jackpot
4 Unsuted Nines...	\$2,500
3 Unsuted Nines...	\$500
2 Suited Nines...	\$200
